* Includes Outaouais, Laurentians and Lanaudière region

** Includes Lower St-Lawrence, Saguenay-Lac-Saint-Jean, Gaspésie and Abitibi-Témiscamingue

HIGHLIGHTS

-  **Strawberry harvesting is in full swing** in all central areas.
-  Farm stands and public markets are open and consumers are waiting for the opening of u-pick season.
-  **Field strawberries** have white and red fruit. Harvesting will begin this week and next week in most central areas.
-  A long healthy season is expected as plant development is well structured and **crops conditions are still very good** in all regions.
-  **Raspberry** plants are developing well and harvesting is expected to start at the beginning of July.
-  **All in all, Quebec's strawberry and raspberry season – from June to October – is off to a great start!**
